EXPERIENCE

The Advisory Investment Bank

Investment Banking Analyst Intern

New York, NY (remote)

September 2026 – Present

- Support sell-side M&A engagements for founder-owned lower-middle-market businesses through industry research, market mapping, target identification, and financial analysis across **30+ companies** in essential-services sectors
- Work closely with partners to identify, qualify, and engage business-owner leads while mapping relevant private equity firms and strategic buyers to support outreach, pipeline development and early-stage M&A origination

American Airlines

Airport Operations Intern, Strategy and Performance Analytics

Fort Worth, TX

June 2026 – August 2026

- Built a Python-based ETL pipeline in Databricks using SQL CTEs to analyze performance across **10 major stations**, identifying goal gaps and key operational drivers to support station leaders' business decisions
- Automated **daily email reporting** with tailored insights and performance visuals for station leaders, reducing manual dashboard review by 5 hours per day and redirecting leader focus toward coaching **30,000+** frontline employees
- Designed a **modular, AI-ready framework** for cross-team use, scalable across new metrics, stations, and reporting cadences; presented findings and implementation roadmap to leaders at headquarters and national hubs

EY-Parthenon

Strategy and Transaction Intern

Ho Chi Minh, Vietnam

May 2025 – August 2025

- Evaluated Vietnam's banking sector using **50+** industry, company, and market sources to benchmark technology adoption, competitive positioning, and strategic shifts, identifying potential M&A opportunities
- Reconciled financial statements and performed variance analysis across multi-million-dollar transactions, recommending $\pm 5\%$ valuation adjustments to support discounted cash flow modeling and due diligence
- Presented an **interactive Power BI dashboard** integrating financial forecasts, due diligence findings, and AI trends for a bank's digital transformation, supporting strategic planning and investment decisions

EY

Financial Due Diligence Intern

Ho Chi Minh, Vietnam

May 2024 – August 2024

- Summarized and structured contractual data from **200+ sales contracts** using Excel (Macros, Pivot Tables) to assist senior analysts in performing due diligence, ensuring data consistency and reporting accuracy
- Contributed to a project presentation in the garment sector on operational optimization and cost reduction strategies, creating **\$8.68M** in value and making it one of EY's most successful deals in FY2024
- Collaborated with cross-functional teams to deliver a due diligence report by automating workflows with Excel VBA, and visualizing insights in Tableau, improving operational efficiency and customer service

PROJECTS

Project Destined | Real Estate Private Equity Program

- Underwrote a 31-unit, **\$17M** multifamily acquisition by building a 10-year pro forma modeling revenue, expenses, **\$5.1M** in renovation capex, NOI, and financing assumptions to evaluate investment returns and assess downside risk

Bank Deposit and Interest Rate Risk Modeling System

- Built a SQL data model tracking **1,845 contracts** worth **\$480M** to forecast deposit maturity and assess liquidity risk
- Developed Power BI dashboards using DAX to track financial performance, deposit mix, yield trends, and risk-adjusted returns, improving reporting efficiency by **30%** and supporting funding strategy and pricing decisions
